## Tox/Anti-Wrinkle Injections

In office \$13/unit. Party guest \$12/unit  
Host \$10/unit >6 guests w/services

Wrinkle relaxers can eliminate, reduce, or prevent fine lines and wrinkles caused from moving facial muscles by blocking nerve impulses that control muscle movement.

## Dermal Filler

As we age our body stops making as much of the cellular building blocks: collagen, elastin, and hyaluronic acid. Additionally, bone and fat diminish with time. Filler combats these aging effects by replacing volume loss, smoothing fine lines, and or enhancing features.
